

## TEMPORARY AUGUST PRACTICE LOCATION

Sanshin has closed the zendo for the month of August in order to complete some construction and remodeling activities. Practice is going on following the usual August schedule at our temporary downtown location, 115 N. College Ave. (Uptown Plaza). We're in the lowest level in room 011. Park free for three hours at the Morton Street Garage at 6th and Morton, about half a block away; on-street parking downtown is also free on Sundays and on weekdays before 9 am. Enter Uptown Plaza either under the Goods for Cooks awning (during business hours) or through the Lower Level entrance at the back of the building (look for our logo by the door). Building doors lock automatically between 6:30 pm and 7:30 am; if doors are locked we'll have someone at the Lower Level entrance to let participants in until a few minutes before practice begins and during kinhin.

Please continue to attend and practice during this time.
